Grammar explained in German – Practice in English

These tried and tested volumes are ideal companions to course books such as Headway. Designed for independent learning, they will help learners to improve their knowledge efficiently and with pleasure. Each contains more than one hundred super exercises plus a separate key booklet with all the answers.

- ✓ Suitable for both independent work and the classroom
- ✓ Helps to brush up and deepen your English knowledge
- ✓ Ideal in combination with books such as Headway (A2 and B1)
- ✓ A modular design facilitates well focused use
- ✓ A solid basis for international examination courses (PET, FCE)
- ✓ Everyday-oriented real and lively language
- ✓ Easy-to-use index plus lots of helpful hints and tips
- ✓ Clear structure with explanations in easy-to-understand German
- ✓ Powerful practice – separate answer booklet included
